

# Flexible Mortgage Solutions with Credit Plus

Embark on your homeownership journey with confidence! Our Credit Plus Program is designed to support you, especially if you've encountered credit challenges recently. We understand that life can have its ups and downs, and we're here to provide a helping hand. Tailored for both full documentation borrowers – those who can provide detailed income and asset proof like W-2s and pay stubs, and alternative documentation borrowers – often self-employed or freelance individuals who use other means like bank statements to verify income. This program is designed to embrace diverse financial backgrounds, especially for those who've recently faced credit challenges.

- Loans available from \$150,000 to \$3,000,000.
- Suitable for a variety of property types.
- Flexible documentation options for diverse financial situations.
- Open to borrowers with varied credit histories.
